YOUR PROHEALTH PLAN COMES LOADED WITH BASIC COVERS, VALUE ADDED COVERS AND OPTIONAL COVERS FOR YOU TO CHOOSE.

BASIC COVERS

In-patient Hospitalization: If you are admitted to a hospital for more than 24 hours of illness or injury, we will take care of the room charges, ICU expenses, nursing charges, doctor fees, surgeon fees, blood, oxygen, operation theatre charges and other medical expenses.

Pre-Hospitalization: We will reimburse medical expenses incurred before the date of hospitalization.

Post-Hospitalization: We don't just cover you when you are in the hospital, but are also with you through the recovery process. Medical expenses incurred after you are discharged will also be covered.

Day Care Treatment: We will pay for medical expenses if you undergo a treatment that needs less than 24 hours of hospitalization. We cover 500 plus listed Day Care procedures.

Domiciliary Treatment: Medical treatment taken at home is also covered in case your condition is not suitable for hospital transfer or if there is no hospital bed available. Pre and Post hospitalization expenses upto 30 days each will also be covered.

Ambulance Expenses: We believe that nothing should come between you and timely treatment. That's why you are covered for transportation expenses by an ambulance service provider to the hospital.

Donor Expenses: We will cover in-patient hospitalization cost of the donor for a major organ transplant.

Worldwide Emergency Cover: Emergencies will not necessarily hit you when in India. We will cover in-patient medical expenses for emergency treatment outside the country for full sum insured on re-imbusement basis once in a policy year.

Restoration of Sum Insured: You may claim for an illness and God forbid, there could be multiple unrelated illness/injury that requires you to get hospitalized. This benefit restores the Sum Insured any number of times under the policy to additional 100% in a policy year if the balance sum insured and cumulative bonus or cumulative bonus booster (if any) is insufficient to settle a claim (for unrelated illness/injury).

AYUSH Cover: We will cover in-patient medical expenses upto the limit of Sum Insured toward non-allopathic treatments such as Ayurveda, Yoga & Naturopathy, Unani, Siddha & Homeopathy for hospitalization arising due to accident or illness undertaken in a government hospital or government recognised institute.

Health Maintenance Benefit: An illness, no matter how small, needs attention. And we make sure that happens. We will cover costs of doctor fees, diagnostic tests, drugs, dental treatments and alternative medicines upto the reimbursement limit under each plan. Fresh coverage will be available at each policy year.

You can even choose a plan which allows:

- Carry forward of unutilized HMB balance each year on renewal
- Utilization of HMB amount upto 50% towards payment of premium from 1st renewal
- Utilization towards payment of deductible or co-pay (if any) and non-admissible expenses
- Bonus @ 5% on any unutilized HMB at renewal.

Maternity Expenses: We will cover expenses for the delivery/medically necessary termination of pregnancy (maximum upto 2 events) during the lifetime of an insured between 18 to 45 years after a waiting period of 48 months.

New Born Baby Expenses: Until the baby is 90 days old, we will cover medical expenses incurred towards the treatment of the child within maternity expenses limit.

First Year Vaccination: We will also pay for vaccination charges for your baby till he/she completes 12 months.

VALUE ADDED COVERS

Healthy Rewards: We want you to always stay healthy. You can earn reward points equal to 1% of premium paid. In addition, you can accumulate points maximum upto 19% of last premium paid by opting for our Wellness Programs. The accumulated points can be redeemed against premium from 1st renewal of policy, or reimbursed under Health Maintenance Benefit anytime in the policy year, or as discount in fees when availing services of our network partners.

Health Check-up: Most of us take our health for granted. No more. For insured aged above 18 years, we will provide a Health Check-up facility at our Network Providers irrespective of the claim status.

Expert Opinion on Critical Illnesses: Take a second opinion on listed critical illnesses from experts at no extra cost.

Cumulative Bonus: We will provide a guaranteed additional Sum Insured as Bonus under all plans at the time of renewal, irrespective of claim in the expiring policy. Cumulative bonus will accumulate maximum upto 200% of Sum Insured.

OPTIONAL COVERS

Deductible: We provide an option to select a Deductible as per the plan. The deductible amount will apply on the sum of all admissible claims in that year. This means that from your claims (should any be arising), you choose to pay the deductible amount either out of your own pocket, or with the aid of an existing Health Insurance policy.

You can also go for Waiver of Deductible within or after 48 months of continuous coverage by paying additional premium as applicable on renewal.

Hospital Daily Cash: Provides a fixed daily cash benefit for each continuous and completed 24 hours of hospitalisation that will help you take care of out of pocket expenses. The benefit will be available up to 30 days per Policy Year.

Reduction in Maternity Waiting: You have the option to reduce the maternity waiting period from 48 to 24 months.

Voluntary Co-pay: This option (when exercised), would mean that you choose to pay the first 10/20% of the claim and the balance would be covered by your plan.

Waiver of Mandatory Co-pay: You have the option to remove the mandatory co-pay applicable for persons aged 65 years and above.

Cumulative Bonus Booster: You have an option to increase policy Sum Insured with 25% Cumulative bonus every year irrespective of the claim. Maximum accumulation is upto 200% of Sum Insured. This benefit is available in place of Cumulative Bonus.

RIDER:

Critical Illness add-on Cover: We will pay a lump sum benefit up to your opted Sum Insured, in case of first diagnosis of the covered critical illnesses.
